

STATE OF IOWA  
DEPARTMENT OF COMMERCE  
UTILITIES BOARD

IN RE:  INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. GCU-02-2
---	---------------------

**ORDER GRANTING MOTIONS TO AMEND APPLICATIONS**

(Issued August 20, 2002)

On August 7, 2002, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) a motion to amend its application for a generating facility siting certificate to reflect the filing on the same date of a generation interconnection study. IPL filed a second motion to amend its application on August 13, 2002, to reflect the filing of supplemental direct testimony on the same date to reflect new tax rates for gas delivery provided by the Iowa Department of Revenue and Finance.

The Board will grant the motions. The generation study submitted is a more detailed analysis than was provided in the initial application and was recently completed. The supplemental direct testimony on tax rates for gas delivery reflects new tax rates that were not published when the initial filing was made. The updated generation study and tax information is necessary for a complete record in this proceeding and will not prejudice any party.

**IT IS THEREFORE ORDERED:**

1. The motion to amend application filed by Interstate Power and Light Company on August 7, 2002, is granted.

2. The motion to amend application filed by Interstate Power and Light Company on August 13, 2002, is granted.

**UTILITIES BOARD**
